SUPLEMENTO AL CATALOGO DE LA HEMEROTECA DE LA FACULTAD DE MEDICINA

En el pasado número dos del volumen once de nuestra revista, apareció en la sección "Nuestras Bibliotecas" el "Catálogo de revistas que pueden consultarse en la Hemeroteca de la Facultad de Medicina". Esta lista de títulos, está basada en la relación preliminar que se hizo al quedar integrada la Hemeroteca al centro de Documentación Médica, sin embargo, con motivo de la centralización de publicaciones periódicas existentes en los diversos departamentos de enseñanza e investigación de nuestra facultad y de las adquisiciones de nuevos títulos, presentamos ahora como suplemento a la publicación anterior, la versión revisada y aumentada.
